duncan s masonic ritual and monitor is a collection of rituals from freemasonry

duncan s masonic ritual and monitor ancient york rite and rituals of the freemasons all degrees of mastery by malcolm c duncan is an authoritative and comprehensive guide to the rituals symbols and ceremonies of freemasonry this seminal work originally published in the 19th century remains an essential reference for masons and scholars interested in the rich traditions and practices of this historic fraternal organization malcolm c duncan meticulously documents the rituals and ceremonies of the ancient york rite providing detailed descriptions of the various degrees of mastery within freemasonry the book covers the essential elements of masonic initiation progression and the deeper symbolic meanings embedded in the rituals each degree is explained with precision offering insights into the allegories lectures and moral teachings that form the core of masonic philosophy duncan s masonic ritual and monitor is enriched with illustrations and diagrams that enhance the reader s understanding of masonic symbols signs and tools these visual aids combined with duncan s clear and concise explanations make complex concepts accessible and comprehensible the book serves not only as a manual for practicing masons but also as a valuable resource for those studying the historical and cultural significance of freemasonry

duncan s work is characterized by its depth of knowledge and respect for masonic traditions he provides context and commentary that illuminate the principles and values upheld by freemasons emphasizing the organization s commitment to brotherhood charity and personal improvement this edition of duncan s masonic ritual and monitor is a must have for anyone involved in or interested in freemasonry it offers a detailed and respectful account of masonic practices making it an indispensable tool for understanding the rituals that have been passed down through generations malcolm c duncan s timeless guide continues to be a cornerstone of masonic literature preserving the rituals and teachings of freemasonry for future generations

this is a new release of the original 1922 edition

the masonic rituals transcribed by albert pike in 1854 and 1855 from albert g mackey and other sources

this edition presents details of masonic initiation rituals along with grips passwords and regalia written in the 19th century duncan s ritual includes the three basic degrees of the ancient york rite and four additional advanced degrees

duncan s ritual and monitor of freemasonry masonic ritual and monitor or guide to the three symbolic degrees of the ancient york rite and to the degrees of mark master past master most excellent master and the royal arch by malcolm c duncan explained and interpreted by copious notes and numerous engravings the objects which freemasonry was founded to subserve are honorable and laudable nor is it intended in the following pages to disparage the institution or to undervalue its usefulness it has at various times and in several countries incurred the ill will of political parties and of religious bodies in consequence of a belief on their part that the organization was not so purely benevolent and philanthropic as its members proclaimed it to be in the state of new york many years ago it was supposed but we think unjustly to wield a powerful political influence and to employ it unscrupulously for sinister ends the war between masonry and anti masonry which convulsed the state at that period is still fresh in the remembrance of many a party veteran the order however has long since recovered from the obloquy then heaped upon it and is now in a flourishing condition in most parts of the civilized world the purpose of this work is not so much to gratify the curiosity of the uninitiated as to furnish a guide for the neophytes of the order by means of which their progress from grade to grade may be facilitated every statement in the book is authentic as every proficient mason will admit to himself if not to be public as he turns over its pages the non masonic reader as he peruses them will perhaps be puzzled to imagine why matters of so little real importance to society at large should have been so industriously concealed for centuries and still more surprised that society should have been so extremely inquisitive about them but such as old stapleton says in jacob faithful is human nature the object of the order in making a profound mystery of its proceedings is obvious enough sea birds are not more in variably attracted toward a lighted beacon on a dark night than men to whatever savors of mystery curiosity has had a much greater influence in swelling the ranks of masonry than philanthropy and brotherly love the institution however is now sufficiently popular to stand upon its own merits without the aid of clap trap so via the mantle that shadowed borgia it will be observed by the initiated that the following exposition gives no information through which any person not a mason could obtain admission to a lodge it is due to the order that its meetings should not be disturbed by the intrusion of persons who do not contribute to its support or to the furtherance of its humane design and whose motives in seeking admission to its halls would be impertinent and ungentlemanly the clew to the sanctum sanctorum is therefore purposely withheld in its spirit and intention masonry is certainly not a humbug and in its enlightened age so excellent an institution should not incur the liability of being classed with the devices of charlatanry by affecting to wear a mystic veil which has long been lifted and of which we are free to say that unlike that of the false prophet of kohrassan it has no repulsive features behind it

duncan s ritual and monitor of freemasonry duncan s masonic ritual and monitor guide to the three symbolic degrees of the ancient york rite by malcolm c duncan freemasonry or masonry consists of fraternal organisations that trace their origins to the local fraternities of stonemasons which from the end of the fourteenth century regulated the qualifications of stonemasons and their interaction with authorities and clients the degrees of freemasonry retain the three grades of medieval craft guilds those of apprentice journeyman or fellow now called fellowcraft and master mason these are the degrees offered by craft or blue lodge freemasonry members of these organisations are known as freemasons or masons there are additional degrees which vary with locality and jurisdiction and are usually administered by different bodies than the craft degrees the objects which freemasonry was founded to subserve are honorable and laudable nor is it intended in the following pages to disparage the institution or to undervalue its usefulness it has at various times and in several countries incurred the ill will of political parties and of religious bodies in consequence of a belief on their part that the organization was not so purely benevolent and philanthropic as its members proclaimed it to be in the state of new york many years ago it was supposed but we think unjustly to wield a powerful political influence and to employ it unscrupulously for sinister ends the war between masonry and anti masonry which convulsed the state at that period is still fresh in the remembrance of many a party veteran the order however has long since recovered from the obloquy then heaped upon it and is now in a flourishing condition in most parts of the civilized world

explained and interpreted by copious notes and numerous engravings duncan s masonic ritual and monitor will be a cherished possession of any mason who receives it retaining all the traditional charm of mckay s standard edition this volume includes both the guide to the three symbolic degrees of the ancient york rite and to the degree of mark master past master most excellent master and the royal arch as written by malcolm c duncan

this is an official ritual book for the order of the secret monitor or brotherhood of david and jonathan this volume contains the ceremony of induction 1

this book presents details of masonic initiation rituals along with grips passwords and regalia written in the 19th century duncan s ritual as it is known has been republished numerous times it includes the three basic degrees of the ancient york rite and four additional advanced degrees there are over a hundred illustrations all reproduced here which show important details of the rituals including gestures and symbolic pictures duncan s ritual is careful to note known variations where they exist this book will be of interest to beginning masons who want a roadmap of the craft as well as experienced masons who need a review

this is a new release of the original 1922 edition mark master past master most excellent master and the royal arch

presenting an effective treatment approach specifically tailored to the unique challenges of body dysmorphic disorder bdd this book is grounded in state of the art research the authors are experts on bdd and related conditions they describe ways to engage patients who believe they have defects or flaws in their appearance provided are clear cut strategies for helping patients overcome the self defeating thoughts impairments in functioning and sometimes dangerous ritualistic behaviors that characterize bdd clinician friendly features include step by step instructions for conducting each session and more than 50 reproducible handouts and forms the large size format facilitates photocopying see also the related self help guide by dr wilhelm feeling good about the way you look an ideal recommendation for clients with bdd or less severe body image problems

the consummation of the ages vol i talks about the accumulation of the end of the ages and global change jesus will return and restore cosmos order
